## Course/Instructor Evaluator Training

Presented by POST

Participants will learn to effectively assess the quality of training courses and instructors with new POST evaluation tools.

### Are you getting the most out of your training?

In today's economic climate, it's more important than ever to provide high quality, cost-effective law enforcement training. In this course, you will learn how to properly evaluate instructors and courses for effectiveness and quality. Students will become skilled at using new POST course & instructor evaluations to help you make the most of your training budget.
