7450 Hazard Center Drive • San Diego • CA 92108

SITUATION-APPROPRIATE, FOCUSED, AND EDUCATED

ABOUT THE SYMPOSIUM

The 2012 **SAFE** Driving Symposium will be a series of plenary and breakout sessions to explore a wide variety of subjects that include:

- ▶ Gordon Graham
- ▶ Chief Executives discussing driving issues and lessons learned
- ▶ The impact of organizational culture
- ▶ The status of ongoing research projects
- ▶ The role of trainers on agency driving safety
- ▶ An examination of risk management concerns on agency collision rates
- ▶ Utilizing technology to capture data on agency collisions
- ▶ How agency motor usage can be made safer

WHO SHOULD ATTEND

The intended audience for this event is the leadership of California law enforcement. Symposium presentations will be geared to assist chief executives, managers, trainers, and supervisors. The intent is to provide the most current information to those who set policy and develop agency procedures.

NO COST!

There is no cost to attend the symposium. Travel and per diem reimbursement will be available through the POST Plan IV Training Reimbursement Request (TRR) process.
