

San Diego Regional Training Center Presents:

POST Certified

DOMESTIC VIOLENCE and SEXUAL ASSAULT for FIRST RESPONDERS

Who Should Attend?

These one-day, 8-hour courses are for patrol officers and supervisors who are responsible for the first response to DV and Sexual Assault calls. They provide the up to date information and resources to assist first responders in the safe and successful handling of these incidents. The instructional team includes a law enforcement officer, a prosecutor, and an advocate, all of whom have extensive experience handling DV and Sexual Assault crimes.

The DV course meets the continued professional training hours and the domestic violence mandate under PC 13519 (e), and required Advanced Officer Training. Whether your agency has established a Sexual Assault Response Team (SART) or not, the Sexual Assault course will present strategies to assist you in completing investigations that lead to successful prosecutions.
