

Intoximeters

World Leader in Breath Alcohol Testing for Over 60 Years

Los Angeles Law Enforcement Training

Training Date: Monday July 29, 2013

Training Location: TO BE DETERMINED

08:30 to 12:30 Alco-Sensor IV (Black & Green Dot)

13:30 to 17:30 – Alco-Sensor VXL

Course fee is \$150 per person. Training will include instrument operation, menu functions, accuracy checks and calibrations. We will cover automatic sampling, insufficient breath, manual sampling and mouth alcohol effects. Additional discussions of calibration theory and the procedures for accuracy checks and calibrations will also be presented. It is requested that the attendees bring a unit and calibration gas with them to the course.

The course will be conducted by an Intoximeters Corporate Trainer and will last approximately 4 hours. Personnel completing this course will receive a factory certificate for *Instrument Operation and Calibration*.

Please fill out the registration form below and fax this entire page to (314) 429-4170. Pre-payment is required.
