## Instructor Justin Feffer

Justin Feffer has been a sworn law enforcement officer in Southern California since 1988, and a California attorney since 1994. He is the Supervising Investigator of the Los Angeles County District Attorney's Bureau of Investigation Cyber Crime Team, for which he was the founding Senior Investigator. His current assignment includes the investigation of high technology crimes including identity theft. Justin has been assigned to the Los Angeles Electronic Crimes Task Force, a joint federal and state task force, for more than five years. He is a graduate of information technology crimes investigation programs conducted by the SANS Institute, Carnegie Melon's CERT-CC, FBI, the High Technology Crime Investigation Association (HTCIA) and the California Department of Justice.
