## Civilian Staff

## Law Enforcement Symposium

**September 10-11, 2018**

Hosted By

**Escondido**

**Police Department**

## 2018 CIVILIAN LE SYMPOSIUM

There are many civilians working within law enforcement. These valuable employees serve in field operations, administrative, records and investigations, doing many of the same job tasks and responsibilities as peace officers. While sworn staff continuously attend training mandated by law, civilian staff have limited training opportunities.

The Mission of the Civilian LE Symposium (C-LES) is to provide Leadership for the continued advancement of civilian training,

CRIME LAB TEAM
