TRAINING

HOSTED BY THE
SAN DIEGO LAW ENFORCEMENT COORDINATION CENTER

AUGUST 15th, 2019

1400 - 1530

San Diego, California
(Details upon registration)

All Departments in the Region are Invited to Attend

The San Diego Law Enforcement Coordination Center is hosting a training session with CARFAX for Police to show how the Investigative Tools can assist in your investigations. CARFAX will present Partial License Plate Search, Vehicle History Reports, VIN Alert, Mobile Application and Crash Center. The Investigative Tools can help you solve crimes faster and promote information sharing amongst agencies.

This training should be beneficial to:

- Senior Command Level and Staff
- Patrol Supervisors
- Criminal Investigations
- Narcotics Investigations
- Auto Theft and Investigations
- Traffic and Accident Reconstruction
- Information and Technology and Records (Research and Development)
- Crime and Intelligence Analysts

115,000 vendors nationwide partner with CARFAX. Whenever new information is shared regarding one of our VINs of interest, the requesting investigator will be alerted by email, providing a valuable new source of leads.
