Event Purpose

The Improvised Explosive Device (IED) Search Procedures course introduces participants to basic, low risk search protocols. It provides learning activities that allows participants to perform an IED search of a facility, an area, and a route. This course will enable public and private sector representatives to reduce vulnerability and mitigate the effects of IED attacks.

Who Should Attend?

The IED Search Procedures course is designed for public and private facility owners/operators and security staff that may be tasked with search duties during a bomb threat incident.

Improvised Explosive Device (IED) Search Procedures Course will be offered March 24 2020. To apply for this class, follow the instructions below:

1. Have your FEMA SID number and password. You **must** have a FEMA SID number **before** you can apply for the class.
 - If you need a FEMA SID number, go to: <https://cdp.dhs.gov/FEMASID> and click "Register for FEMA SID" or click "Forgot FEMA SID?" if you have forgotten your FEMA SID.
 - Registering for a FEMA SID number **does not** register you for this class. You must apply for the class separately.
2. Click this link to apply for the class: [Click Here to Apply](#).
 - Enter your FEMA SID and password.
 - A CDP Training Registration System (TRS) application for 20N-0419 IED Search will open.
 - Complete the required fields.
 - Click the "Review and Submit Application Now" button.

Complete the application process by clicking the affirmation checkbox and providing your digital signature by entering your name and FEMA SID password.

(If you have trouble with the link, go to <https://cdp.dhs.gov/students> and enter 20N-0419 IED Search in the "Have a Promo Code?" box. You must enter the promo code exactly as it appears here to successfully apply).
3. If you encounter any errors, please do not attempt to bypass or skip through them. Please document the error with as many details as possible and/or screen shots (print screen) and submit to FEMASIDHELP@cdpemail.dhs.gov so the error can be documented and addressed by the development team. Once the error has been reported, then proceed.
