REGISTRATION: Course registration will begin promptly at 0800 hours on the first day of class.

COURSE CONTENT: This course provides peace officers with the basic requirements for investigating a traffic collision and for completing a traffic collision report. This course is designed to develop the skills to identify and articulate the primary cause and other associated factors in a collision as well as recognizing the importance for searching, locating, and properly recording evidence. This class satisfied the requirement of CVC 40600.

PREREQUISITE: Completion of a P.O.S.T. Certified Basic Academy or equivalent law enforcement training/experience.

CERTIFICATION: This course is certified under P.O.S.T. reimbursement Plan IV. Class hours are mandated by P.O.S.T. and full participation is required for certification. Completion certificates will be awarded.

TUITION/CREDIT: 1.0 lower division semester units will be awarded for completion of this course (ADJU 322A). Tuition is $46 per student. Agencies/students can pay at time of registration on the first day of class or the agency may be billed *(***** SDSO student's tuition is covered by Sheriff's Training budget *****).* California non-residents will also be charged a tuition fee of $221 per unit. There may also be a $19.00 medical insurance fee, which is waived if you are currently employed by a Law Enforcement agency. Students are expected to be honest and ethical at all times in their pursuit of academic goals. Please refer to SDCCD Procedure 3100.3 for more detailed information.

EQUIPMENT/SUPPLIES: Students will need the following items in class each day: pen/pencil, note paper, Northwestern traffic drawing template (or similar drafting/drawing tool), and current California Vehicle Code (book or digital copy). A basic traffic investigations student book, traffic collision report forms, and a SWITRS manual (Digital Version) will be provided on CD-ROM/thumb drive/E-mail. Students will need to either print their own book or bring a tablet/laptop computer.

DRESS: Casual clothing is appropriate. No shorts, sandals or flip-flops. Outside practical exercises will be conducted regardless of weather conditions.

PARKING: Parking is available in the Community Center and City Hall parking lots. No parking permits are required.

FOOD: Coronado does not have any drive-thru fast food restaurants. You may want to bring your lunch or order ahead to avoid lines. No food is available at the facility.

COVID: Enter & exit thru the patio side of the building (north-near fountain) and NOT the main doors – signs will be posted. Masks are required inside the building and outside if you are within 6 ft. of another person. One student per table. Student will keep the same table for all days of the class.
