

Dignitary Protection Course

Presented by

OTX Training

Course Description and Topics Covered

OTX Training is offering a P.O.S.T. certified course which is specifically designed for basic and entry level Protective Units. The course is tailored for personnel that provide protection for Executives, Dignitaries, VIP's and Witnesses. It also exposes the student to large scale operations and the roles in which they may be asked to fill when dealing with larger agencies such as Secret Service, the State Department Diplomatic Security Services Unit, and the Governor's Protection Detail. This course will allow the student a hands-on approach toward training which provides the best environment and opportunity for learning.
