

CANINE PROGRAM MANAGEMENT

This comprehensive two-day course delves into the intricacies of proficiently managing and efficiently operating a canine unit. It is a collective responsibility of canine handlers, supervisors, and managers to guarantee the sustained success of their canine unit. The curriculum addresses crucial aspects such as policy guidelines, protocols for body-worn cameras, updates in legal frameworks, pertinent case law, meticulous record-keeping, procedures for reporting bites, training methodologies, and the meticulous selection of handlers. Additionally, participants will gain insights into the nuances of AB 392, SB 230, and AB 742.

This course is a Plan IV course and eligible for tuition reimbursement.
