This status report provides a snapshot of indicators tied to binge and underage drinking — including data detailing: alcohol use by students and young adults, the public health impacts of binge and underage drinking and the public safety implications of underage drinking and driving. Information contained in the report can help the community identify trends related to reducing youth access to alcohol and alcohol-related harm

Carol Manisouk, Epidemiologist, County of San Diego Behavioral Health Services, Population Health Unit

Paige Colburn-Hargis, Injury Prevention Community Outreach Program Coordinator, Scripps Memorial Hospital La Jolla Trauma Services

Jim Crittenden, Coordinator, Alcohol, Tobacco, and Other Drug Prevention, Attendance, Safety, and Student Engagement, San Diego County Office of Education

Hailey Williams, Deputy District Attorney, Director, DUI Homicide, County of San Diego District Attorney's Office
