6:00PM-7:00PM FACING FENTANYL: WHAT YOU NEED TO KNOW

CLAIREMONT HIGH SCHOOL (CAFETERIA)

4150 UTE DR, SAN DIEGO, CA 92117

Gallery Walk

Walk and talk to students within the Academy of Health & Medical Sciences as they present their research projects and demonstrate the impact substances have on individuals and on public health & safety.

Presentation

This presentation will educate the audience about the dangers of fentanyl. Through real-world examples and prevention strategies, individuals will gain a deeper understanding of its impact on individuals, families, and communities.

Connecting to Resources

Youth and adults will gain a knowledge of accessible resources related to substance use prevention & treatment along with mental health & wellness.

The Sugar to Heroin project is a partnership between Clairemont High School's Academy of Health and Medical Sciences and SAY San Diego's North City Prevention Coalition (NCPC) which is funded by the County of San Diego Health and Human Services Agency.
