

# CANINE E-COLLAR COURSE

**November 14-15**  
**POST CPT**  
**POST ID: 23980**

## About This Class:

This course teaches foundational concepts and proper techniques for reinforcing both desired and undesired behaviors in police dogs. Participants learn to train in a conflict-free environment, focusing on directionals, pressure application and release, obedience in drive, and practical field use.

**\$600 for registration**
