KEY POINTS DISCUSSED		
No.	TOPIC	HIGHLIGHTS
1.	Presentation	<p>Performa- Training software, delivers training that are POST certified. The use actual real life law enforcement video footage as part of the training. They have Use of Force, Vehicle Pursuit, De-escalation training can be taken with little effect on staffing issues. The software is web-based and the administrator console can assign who takes course and course due dates. When officer completes a training; credit is automatically uploaded to POST EDI and credit hours are accounted for in the officers profile. When legislature changes each year, the training software can easily be changed by Performa by turning off or adding new modules to the software. Changes to software updates are done by POST cycle and or major event. Updated every year. Performa offers one license per post credit.</p> <p>Jeff Daniel 714-336-4788 - jdaniel@performa-labs.com Anderee Berengian 714-235-9925 - anderee@performa-labs.com</p>
